SAMPLE LETTER TO THE EDITOR

Dear Editor:

I feel compelled to write this letter regarding the article “Children in School”, by James Yale, published in the June issue of the journal.

I do not agree with the author, children should be attending school. It is my professional opinion that they will learn more if they attend school regularly.

I look forward to seeing my letter in an upcoming issue of the journal.

S. John Smith, Ph.D.
M. Davis, MD
