Military Medicine Guarantee of Veracity

Manuscript #

Title:

Contributors:

I agree to accept responsibility for the integrity and veracity of this paper and the work and research it represents. I am well acquainted with the entire paper and I am aware of the origins of all contributions on which this paper and its conclusions are based. I accept responsibility for the integrity and the legitimacy of the individual contributions which comprise this paper.

I understand I may be called upon to defend the veracity of this paper, should it ever be questioned or criticized in part or in full. In the event that some portion of this paper to which I did not personally contribute is called into question, I am capable of directing such inquiries to the proper contributor.

My co-contributors and I understand that by signing this document, I shall be listed as the "Guarantor" of this paper and all others shall be identified as "Contributors."
